

# Deelfontein Academy for Mathematics

Mathematics camps - revision courses - exam preparation - tutorials  
olympiad practice - math coaching

In the seclusion and natural beauty of the Vredefort Dome World Heritage Site (45 km from Potchefstroom), the Academy offers an answer to every Mathematics need. The facilities can accommodate groups between 10 and 40 persons in several seminar rooms and a great hall, with ample space for social distance for safety in the current circumstances.

Leader of the Academy, Dr. Gerhard Benade, has more than thirty years of lecturing experience at several South African universities in first year Analysis, Linear Algebra, Multivariable Analysis, Combinatorics, Real and Complex Analysis, and Abstract Algebra.

Contact Dr. Benade at [gerhard@deelfontein.co.za](mailto:gerhard@deelfontein.co.za) to discuss your Mathematics needs.
